

2024 BOX UPDATE

Who can believe our 2024 regular box season is already over? Here is a recap of our regular season as we head into Provincials.

TOURNAMENT

Thanks to the **38+** families that volunteered their time, we raised over **\$10,000** at our home tournament this past May. This is a record high and will be used to replace tired jerseys and subsidize 2025 player fees.

NOTABLE WINS

Congratulations to the following teams on their achievements during the regular season:

- U13 - 1st Place: Mike Jones Memorial Tournament
- U13 - "B" Division Zone 9 Champions
- U9 - "C" Division Zone 9 Champions

JUNIOR THUNDERHAWKS

What an incredible turnout for our Junior Thunderhawks Program (formally Try Lacrosse/Soft Lacrosse) as we introduced almost 60 kids to the game of lacrosse. We do hope to see an increase in the 2025 U7 program as a result. Thank you to Coach Bryan Neufeld for taking the lead on this program.

CLOTHES

We recently partnered with Bardown to refresh our branded clothing options. We still have some adult sweaters **IN STOCK**. Please email notllax2019@gmail.com to purchase.

YEAR-END BANQUET

New this year, the club is bringing back the historic end-of-year banquet for all players U7+. Taking place on August 12th at the Kinsmen Hall, this informal and family-friendly event will be a great way to end the season and celebrate our success. Please see your coach and team manager for further details.

SIXES

Due to the popularity of last year's inaugural Sixes tournament, Niagara Thunderhawks will be running fall Sixes. Sixes is a fast-paced, compact version of lacrosse played on a field. Stay tuned for registration mid August. Teams will be capped at 15 runners each.

U7

From July 19 - 21st, our U7 team marked the end of their season with the Future Stars Tournament in Welland. For our juniors (age 4), this was their first lacrosse tournament ever! Graduates of our Junior Thunderhawks program can expect to participate in this event next year.

Did you know? Our teams played an average of 25 regular season games each and practiced 16 times. That's a lot of time for our athletes and helps them develop into strong lacrosse players.
